The story so far

Asou Hina transferred to Shuuei Academy, an unconventional high school. Just as Hina entered the Special A Class, a group of 5 members: Shimizu Toshi, Iwabuchi Takui, Arisawa Nao, Tairaku Jun, and Yauchi Kojirou befriended her, living out an extreme school life. With Hina's big efforts (?) Nao's kinapping incident was safely settled and the long awaited summer vacation has finally arrived! Unknowingly joining Toshi's Flower Arrangement Club, Hina and the boys set out for camp to the mountain owned by the Arisawa Group in order complete their summer vacation assignment. At the same time, Yamachika and the members of the student council were coincidently trepassing. Soon, both parties were disorderly paired up for the [Test of Courage Battle Tournament]. Hina ended up with Yamachika and in the midst of the game, what was Yamachika hinting about concerning Toshi's reason for hating the dark...!?

Earlier, Yamachika-san was talking about something, that was---

...What? something wrong?

Huh? Oh, it's nothing

You don't know about Toshi's hopeless reason for hating the dark...?

...how strange o

...it's really nothing!

Anyway, let's hurry!

I'm getting hungry!

For now, I'll just wait until he tells me himself

I don't really understand but...

I get the feeling that that day is not too far away

I would be
nice if it's sunny
tomorrow

Ah...

It stopped
raining

...yeah

Because our
summer vacation
has only just begun

and
this again
also

For the
first page of our
youth...

Anyway,

---somehow, a refreshing ending is not to be expected

TA

Where are we!? Since earlier, I noticed that we've been passing the same place over and over again!!

Mitsu

sigh

Since when did
we ended up here
waiting like this

Although we
equally started out with
much enthusiasm

This
outcome was
somehow a little
disappointing
however

.....oh well。

us winning by a
wide margin as planned
was a triumph。

They sure are a bunch of hopeless kids

....really

Checkmate.

The Sequel

There was a bit more to the previous story.

Tairaku-kun wrote a very long report on what the Flower Arrangement Club had did and although we safely cleared the assignment

FLOWERS AND GREENERIES

The day I met him

was when I entered this school as a 4th grader

Because the institution

divided the students by terms of excellent grades,

for almost 9 years, we were always together

in the same class

It's still different from a childhood friend

he was an unfortunate but inescapable guy

Please look
over these documents,
Miss Nakagome

....yes。

Isn't that right?

That's what I see from you。

Do you have any good ideas? Miss Nakagome

I don't know。

flat out

But as expected, we went over the small budget for the fireworks during the cultural festival

We'll have to somehow make an adjustment before the end of this year.

Hey! Why are you saying it like you don't care

I didn't mean it like that. Whatever suggestions I may make, in the end, you would choose to do whatever you want anyway。

My duty is to make an easy working environment for you

That is why it is fine to keep doing things the way you feel fits

Then I'll

Reality

After what happened last time, Kaichou's attitude is still the same as ever

what?

It's a bit foolish but I have to thank those two for skipping out on work

...however

I guess I'm the only one that's happy about it

A casual everyday

extended to the next

Oh shoot! I have to get back before this gets cold

I thought today also, would be like

any other day

Huh?

Why am I
Blurting out strange

I'm
SORRY!!

Even
though it's
summer Break,
why are you
here?

You're-
the real thing...
right?

I like you!!

I wonder what that was all about...

I'm sorry But I'm kinD of in a hurry

Eh!?

Uhh !!

.....eh?

I'm sorry about this, for some strange guy to suddenly tell you something like this,

....Uhhh

That is..

No that's not!

Eh!?

I know that you have feelings for Kaichou

--But

Even so, I just couldn't give up without telling you how I feel....

Umm

ah

Flash

See you!

I know it was really sudden and you probably don't have an answer yet But

When today's club activities are over, I'll be waiting here for you so if you don't mind, Please let me hear your reply!

That just now was

Uptil now,
all I've gotten
were letters
of challenge

I've had
people I don't
know watching
me but

A...confession...?

This is the first time that....

someone straightforwardly conveyed their feelings to me--

Are you going to give him an answer?

How do you know about that--

Ah!

...eh?

If it was you, what would you do?

Uh...Well I've never been confessed to before so I don't really know what to do...

How would I know about something like that

...no matter how close the distance gets

the distant feeling grows no closer

Isn't it a matter of doing whatever you feel?

If I do that, I won't be shaken by such trivial matters anymore--

Perhaps, it might be better to quickly get rid of these wishful thinking

I'm.... sorry

...and, I'll return what you said to me earlier

But like that, your words, however cruel, resounds deep into my heart

....eh?

What are you hoping for

I don't know what kind of an answer you want But

That's
Why

It's fine to
Do whatever
you want

....what am
I giving up
on now?

Like this so
far, you've Been
letting me Do
whatever I want

And in some
ways, you're like me,
Possessing a strong
will, always close
By supporting me

Even if I say
anything to you now,
it wouldn't make a
Difference, right?

CLATTER

Sorry But
I'll Be going out
for a Bit!

Without even looking at any one thing around,

the one who was doing the awful thing,

was me

I was the
only one scared
to get hurt

From the
start, I was
set on that it
won't come

OWW...

Sorry

UWah!
you're here

I just finished with

I'm sorry

It's alright.. even if my wish doesn't come true

Yes sir!

[Kaitou Chevreuil]

Chevreuil

[Tonight's target is at the Shuuei Museum, the Diamond that shines 5 Colors]

*The word chevreuil means roe deer in French hence the chapter title

To send us something like this, they sure are a Bunch of Pranksters

Police Inspector, Yamachika

However, they have a record of not missing a target

Assistant Inspector, Etsu

Inspector

Stolen, Again

Will the nation's police be all right!?

What's the next target

None of the Police anywhere, were able to manage them. Now, they've Become legendary thieves

If we don't put an end to this, they will Probably take it even further

Now, for our career Bureaucrats to call us out here means they don't want the nation's Police system to Be Destroyed any longer

Assistant Inspector, Mitsu

Assistant Inspector, Komoro

_that's right.

I'm not concern about the public opinion towards them but,

the interesting part is how they will slip through this tight security

Let's take a little look at what they've got.

So that's the rumored Diamond we heard about..

NOW, how should we get it

Huh— what are you saying

The moon tonight is clear

However, it's noisy above ground

If they're our sharpest enemy, then we just have to Be above that

Looking Down like this, everything is about to get messing

Koujiro

Toshi

"No matter what happens, there mustn't Be any Bead Bodies" is what you wanted to say, right?

I am fully aware of that.

Although you say that, we're—

By what means will they use to get here?

Hurry and leave this Place.

More importantly, I think we're in a Bigger Bind here....

Huh?

It's unfortunate however, it so happens that I don't have pride in repaying kindness with Betrayal

Besides, even if I failed to capture you here, it'll Be fine if I just capture you in the Distant future

They shouldn't have grasp hold of the situation yet, Hurry

B-But that means your position-

It's like the feeling of gratitude is there, But not really

Uwaah...

You're a Bit too easy-going, Inspector

Hey! We should hurry and leave this Place!

Really!? You sure are a happy gal!

She's with me so can you not speak so familiar with her?

Eh!? Wait a minute!?

Let's go to the next one, next!

Che she's with someone

...look,if you don't become a bit more sensible to the things around you, you'll go through a painful experience later on

What are you doing!?

When we've finally got some customers-

SQUEEZE

Excuse me

I would like to rent a floaty, is that okay?

WHAT!? SENSIBLE!

Hey

Ah, yes! I'll get it ready right away!

Do you know that those who went near there all had misfortune befall on them. They call it, "Evil's Desert Island"

It's looks so interesting ✧ ✧

You want to rent a boat and go play on that island over there?

Silly, what are you taking about

FIVE ⑥

Eh?

There's a rumor that there's an "illusional fruit" over there

It's said that if the fruit is taken out of that place, the island god will place a curse on you

Eh-How scary!

It's probably just superstition but it wouldn't hurt to stay away here

Oh Thank you very much!

But

if there was really a fruit like that, I would like to take a look at it

Fufu, that's right, CoyoMoose is recruiting! We need J>E and C>E translators, cleaners, and QC & PR.

Also, just a quick reminder, we are taking donations. Normally I wouldn't even ask but as I am slowly going broke for the sake of high quality releases, I figured I would.

There is a donate button on the site, http://coyomoose.net (any amount helps, believe me!!)

Thanks - Yukiko
